Career Objective

B.Tech undergraduate in Artificial Intelligence and Data Science at IIT Patna, with a strong interest in building real-world tech solutions. Skilled in full-stack web development (MERN) and UI/UX design through self-driven projects. Actively exploring the AI & DS domain through coursework and aiming to bridge practical development with data-driven applications. Looking for opportunities to apply and expand my skills in meaningful, hands-on projects and internships

Education

- Indian Institute of Technology, Patna** Aug 2024- Jul 2028
Bachelor of Technology in Artificial Intelligence & Data Science **CGPA: 8.88/10**
- M.D.J Public School**
